

MEMORANDUM

SUBJECT: Project MERRIMAC

It is appropriate for the Chief of Security to develop private sources among CIA employees. It is not appropriate for CIA to penetrate domestic groups external to CIA, even for the purpose of locating threats to the Agency. Notice of such threats should be reported to the appropriate law enforcement bodies and CIA will cooperate with them in any action required which does not involve direct CIA participation in covert clandestine operations against U.S. citizens in the United States.
